

The 3rd Annual WMNF

Tropical Feetwave Parade:

March of a Thousand Billionaires

Saturday, May 1, 2004
Ybor City

Come join the fun - Everyone is welcome!

Saturday, May 1, sees Ybor City play host to an eclectic night of hot live music spanned across six stages as WMNF's 23rd annual Heatwave hits the streets.

Come ready your feet for Tampa Bay's biggest live music event and parade with the minions in The March of the 1000 Billionaires. Don your finest suits, bling and (faux!) mink...bring instruments, cigars and your feet as we meander the Ybor City

streets in honor of our corporate elite. It'll be loud and fabulous so dress to impress with the Haliburton's and Co's as we celebrate much needed tax breaks and march further the cause of America's top two percent.

The parade kicks off at 4.45pm, meeting no later than 4.30 pm at Avenida

Shimmying Belly Dancers parade through Ybor

Republica de Cuba and 9th Avenue. Propelled solely by feet-power, big music and stunning costume, the parade will wind itself around Tampa's historic Latin quarter, culminating at the Cuban Club Courtyard where Opening Games and Award Ceremonies merge FEETwave into HEATwave and the first of a thousand dances begins.

Yes! We need parade volunteers and paraders to bring the music, floats, costumes and ideas to fruition. For more info, email norwood@wmnf.org, or call Norwood at 813 226-2550.
